MME establishes guidelines for the calculation of the compensation due to Petrobras for the past investments made in the areas to be offered in the Mega Bid Round for Transfer of Rights Surpluses

Following the [Resolution nº 02/2019](#) of the Brazilian National Energy Policy Council (CNPE), the Ministry of Mines and Energy (MME) published Ruling n. 213/2019 establishing the guidelines for the calculation of the compensation due to Petrobras for its past investments made in the areas of Búzios, Atapu, Itapu and Sepia that will be offered in the Bid Round for Transfer of Rights Surpluses. Please see [MME Ruling nº 213/2019](#) for further details.

Our Oil & Gas team remains at your disposal to provide further clarification on these and other issues.
